Plant in wet mud in a stream edge/bog garden or with up to 15cm (6") of water over the top of the basket in a sunny or partially shaded pond. For Shelf 1/2. Supplied in 1 litre basket. Price: £11.00

CYPERUS ERAGROSTIS Grass with seeds held on a green spikelet. Height 60–90cm(24"-36"). Seeds August – October.Plant in wet mud in a stream edge/bog garden or with up to 5cm(2") of water over the top of the basket in a sunny or partially shaded pond. For Shelf 0/1. Supplied in 1 litre basket. Price: £11.00

CYPERUS INVOLUCRATUS (Umbrella plant) Leaf bracts in a spoke arrangement with seed heads which turn brown. Height 60-90cm (24"-36"). Seeds August–October. Plant with 5cm(2") of water over the top of the basket in a sunny or partially shaded pond for shelf 0. Supplied in 1 litre basket. Price: £11.00

CYPERUS LONGUS (Sweet Galingale) (British Native) Drooping brown seeds on each spikelet. Height 90cm(36"). Seeds August onward Plant with between 5-20cm(2"-8") of water over the top of the basket in a large pond or clay lake in sun or partial shade. For Shelf 1/2. Supplied in 1 litre basket. Price: £11.00

EQUISETUM SCIRPOIDES Miniature Equisetum with thin green stems barred with black rings. Height 15–20cm(6"-8").Plant in wet mud in a stream edge/bog garden or with 2cm(1") of water over the top of the basket in a sunny or partially shaded pond for Shelf 0 Supplied in 1 litre basket. Price: £11.00

ERIOPHORUM ANGUSTIFOLIUM (Cotton grass) (British Native) White cotton grass heads over thin leaf grassy foliage. Height 30cm(12") Seeds June. Plant in wet mud in a stream edge/bog garden or with 2cm(1") of water over the top of the basket in a sunny or partially shaded pond for Shelf 0 Supplied in 1litre basket. Price: £11.00

HOUTTUYNIA CORDATA CHAMELEON Variegated red, green and yellow foliage and small white flowers. Height 15–20cm(6"-8").Plant in wet mud in a stream edge/bog garden or with 5cm(2") of water over the top of the basket in a sunny or partially shaded pond for Shelf 0 Flowers June – August. Supplied in 9cm basket. Price: £8.00

IRIS (Louisiana hybrid) BLACK GAMECOCK Dark purple black flowers with yellow signal. Height 45 – 60cm (18" - 24"). Flowers July. Plant in wet mud or with up to 5cm (2") of water over the top of the basket in a sunny pond for Shelf 0. Supplied in a 1 litre basket. Price: £11.00

IRIS PSEUDACORUS Broad Green leaves in Spring with yellow Iris flowers. Height 90 – 120cm (36" - 48"). Flowers May – June. Plant in wet mud in a stream edge/bog garden or with up to 25cm (10") of water over the top of the basket in a sunny pond. For Shelf 0, 1 or 2 Supplied in a 1 litre basket. Price: £11.00

IRIS PSEUDACORUS VARIEGATA Green and yellow variegated leaves in Spring with yellow Iris flowers. Height 90 – 120cm (36" - 48"). Flowers May – June.Plant in wet mud in a stream edge/bog garden or with up to 15cm (6") of water over the top of the basket in a sunny pond. For Shelf 0, 1 or 2.Supplied in a 1 litre basket. Price: £11.00

IRIS VERSICOLOR Rich purple flowers with broad green leaves. Height 60 – 90cm (24" - 30"). Flowers May – June. Plant in wet mud in a stream edge/bog garden or with up to 5cm (2") of water over the top of the basket in a sunny pond. For Shelf 0 or 1. Supplied in a 1 litre basket. Price: £11.00

IRIS VERSICOLOR MYSTERIOUS MONIQUE Red plum flowers with yellow markings. Height 60 – 75cm (24" - 30"). Flowers May – June. Plant in wet mud in a stream edge/bog garden or with up to 5cm (2") of water over the top of the basket in a sunny pond. For Shelf 0 or 1. Supplied in a 1 litre basket. Price: £11.00

ISOLEPIS CERNUA Small grass - like oxygenator with white seed heads. Height 15 – 20cm (6" - 8"). This oxygenating plant is ideal in size for the patio container pond. Plant with 5cm (2") of water over basket in a sunny or partially shaded pond. For Shelf 0 in a sunny or partially shaded pond. Supplied in a 9 cm basket. Price: £8.00

JUNCUS ENSIFOLIUS Small rush with round dark brown seed heads. Height 20cm (8"). Plant with 5cm (2") of water over basket in a sunny or partially shaded pond. For Shelf 0 in a sunny or partially shaded pond. Supplied in a 1 litre basket. Price: £11.00

LYTHRUM SALICARIA (Loosestrife) (British Native) Purple flowers in whorls on woody stems. Height 90 – 120cm (36" - 48"). Flowers June – September. Plant in wet mud in a stream edge/bog garden or with up to 10cm (4") of water over the top of the basket in a sunny or partially shaded pond. For Shelf 0 or 1. Supplied in a 1 litre basket. Price: £11.00

MENTHA AQUATICA (Water Mint) (British Native) Water Mint has lilac flower heads. Height 30cm (12"). Flowers June – September. Plant in wet mud in a stream edge/bog garden or with up to 5cm (2") of water over the top of the basket in a sunny or partially shaded pond for Shelf 0 Supplied in a 9cm basket Price: £8.00

MENTHA CERVINA Water Spearmint globular lilac flower heads. Height 30cm (12"). Flowers June – September. Plant in wet mud in a stream edge/bog garden or with up to 5cm (2") of water over the top of the basket in a sunny or partially shaded pond for Shelf 0. Supplied in a 1 litre basket Price: £11.00

MENTHA CERVINA ALBA Water Spearmint globular white flower heads. Height 30cm (12"). Flowers June – September. Plant in wet mud in a stream edge/bog garden or with up to 5cm (2") of water over the top of the basket in a sunny or partially shaded pond for Shelf 0 or 1. Supplied in a 1 litre basket Price: £11.00

MYOSOTIS SCORPIOIDES ALBA White Forget-me-not flowers on loose scrambling plant. Height 20cm (8"). Flowers May – July. Plant in wet mud or with up to 5cm (2") of water over soil in a sunny or partially shaded pond. Supplied in a 9cm basket. Price: £8.00

MYOSOTIS SCORPIOIDES (Forget me not) (British Native) Blue Forget-me-not flowers on loose scrambling plant. Height 20cm (8"). Flowers May - July. Plant in wet mud or with up to 5cm(2") of water over soil in a sunny or partially shaded pond. Supplied in 9cm basket. Price: £8.00

OENANTHE JAVANICA FLAMINGO Pink and cream margins to the delicate leaves and small white flowers. Height 15–30cm(6"-12") Flowers July-September. Plant in wet mud in a stream edge/bog garden or with up to 5cm(2") of water over the top of the basket in a sunny or partially shaded pond for shelf 0. Supplied in 9cm basket. Price: £8.00

PONTERDERIA CORDATA (Pickereel Weed) Blue flower spikes above heart shaped leaves. Height 60cm(24"). Flowers August-September. Plant with between 10-15cm(4"-6") of water over the top of the basket in a sunny or shaded pond. For Shelf 1 or 2. Supplied in 1litre basket. Price: £11.00

PONTERDERIA CORDATA LANCIFOLIA Pale blue flower spikes above heart shaped leaves. Height 9 –100c (36"-40"). Flowers August-September. Plant with between 15-25cm(6"-10") of water over the top of the basket in a sunny or shaded pond. For Shelf 2. Supplied in 1 litre basket. Price: £11.00

POTENTILLA PALUSTRIS (Marsh Cinquefoil) Rafting plant with toothed edge divided leaf and unusual deep red flowers. Height 15cm(6"). Flowers May – June. Plant in wet mud in a stream edge/bog garden or with up to 10cm(4") of water over the top of the basket in a sunny or partially shaded pond for Shelf 0. Supplied in a 9cm basket. Price: £8.00

PRIMULA FLORINDAE Giant cowslip primula - large heads of yellow flowers. Fragrant. Height 60cm(24"). Flowers July-September Plant in wet mud or with 2cm(1") of water over soil in a sunny pond over the top of the basket in a sunny or partially shaded pond for Shelf 0/1. Supplied in a 1 litre basket Price: £11.00

RANUNCULUS FLAMMULA (British Native) Sprawling plant covered in small yellow buttercup flowers. Height 15cm(6"). Flowers May–July. Plant in wet mud or with up to 5cm(2") of water over soil. Supplied in 1 litre basket.Price: £11.00

RORIPPA NASTURTIUM-AQUATICUM (British Native – Water Cress) Horizontally rafting stems with underwater leaf that oxygenates the water and surface growing round, with green leaf and small white flowers. Height 10cm(4"). Flowers May–August. Plant with up to 2.5cm(1") water over top of the basket. Suitable for sunny, partially shaded or shaded. Supplied in 9cm basket Price: £7.00

SAGITTARIA SAGITIFOLIA (British Native) White flowers with purple centers above arrow shaped leaf foliage. Height 5-8cm(2-3"). Flowers June–August. Plant with between 10–15cm(4-6") of water over soil in a sunny pond. Supplied in a 9cm basket Price: £8.00

TYPHA MINIMA (Miniature Bullrush) Miniature Bullrush. 2cm (1" .) rounded seed heads and thin reedmace leaves. Height 60cm (24"). Plant with between 5 – 10cm (2" - 4") of water over soil in a sunny or partially shaded pond. Supplied in a 1 litre basket. Price: £9.00

VERONICA BECCABUNGA (Brooklime) (British Native) Royal blue flowers on a rafting plant. Height 15cm(6"). Flowers May–July. Plant in wet mud or with 2cm(1") of water over soil in a sunny pond over the top of the basket in a sunny or partially shaded pond for Shelf 0. Supplied in 9cm basket.Price: £6.00

WATER LILIES & SURFACE COVER PLANTS

APONOGETON DISTACHYOS (Water Hawthorn) Oval floating leaf 15cm(6") with scented white flowers with black markings float on the water surface. Plant with between 30-60cm(12"-24") of water over the top of the basket in a sunny or partially shaded pond. Flowers March-May & Sept-Nov. Supplied in 2 litre basket Price: £25.00

NYMPHAEA AURORA Dwarf Waterlily Dwarf changeable waterlily. Flower opens yellow and deepens to orange/red over days - each flower 5cm(2") wide Plant spread 60cm(24") so appropriate for a large container or small pond. Plant with 15cm(6") of water over soil in a still, sunny position. Supplied in 1 litre basket. Price: £25.00

NYMPHAEA CANDIDA Dwarf Waterlily Dwarf white waterlily - each flower 5cm(2") wide. Plant spread 60cm(24") so appropriate for a large container or small pond. Plant with 15cm(6") of water over soil in a still, sunny position. Supplied in 1 litre basket. Price: £25.00

NYMPHAEA FIRECREST Dwarf Waterlily Dwarf pink waterlily - each flower 4cm(1.5") wide. Plant spread 45cm(18") so appropriate for a large container or small pond. Plant with 15cm(6") of water over soil in a still, sunny position. Supplied in a 1 litre basket. Price: £25.00

NYMPHAEA LAYDEKERI FULGENS Dwarf Waterlily Dwarf red waterlily-each flower 4cm(1.5") wide. Plant spread 45cm(18") so appropriate for a large container or small pond Plant with 15cm(6") of water over soil in a still, sunny position. Supplied in 1 litre basket. Price: £25.00

NYMPHAEA PAUL HARIOT Dwarf Waterlily Dwarf waterlily opening yellow and deepening to orange/red-spiky flower. Plant spread 45cm(18") so appropriate for a large container or small pond. Plant with 15cm(6") of water over soil in a still, sunny position. Supplied in 1 litre basket Price: £25.00

NYMPHAEA PERRY'S BABY RED Dwarf Waterlily Dwarf red waterlily - each flower 5cm (2") wide. Plant spread 60cm (24") so appropriate for a large container or small pond. Plant with 15cm (6") of water over soil in a still, sunny position. Supplied in 1 litre basket. Price: £25.00

NYMPHAEA PYGMAEA ALBA Miniature waterlily Miniature white waterlily each flower 3cm (1" .) in size Plant spread 20cm (8") so appropriate for a miniature patio pond container or tiny pond. Plant with 15cm (6") of water over soil in a still, sunny position. Supplied in 1 litre basket. Price: £25.00

NYMPHAEA PYGMAEA HELVOLA Miniature Waterlily Miniature yellow waterlily each flower 3cm (1") in size Plant spread 20cm (8") so appropriate for a miniature patio pond container or tiny pond. Plant with 15cm (6") of water over soil in a still, sunny position. Supplied in 1 litre basket. Price: £25.00

NYMPHAEA PYGMAEA RUBRA Miniature Waterlily Miniature red/pink waterlily each flower 3-5cm(1-2") in size. Plant spread 45cm(18") so appropriate for a miniature patio pond container. Plant with approximately 15cm(6") of water over the top of the basket in a still, sunny position. so appropriate for a miniature patio pond container or tiny pond. Supplied in 1 litre basket. Price: £25.00

NYMPHAEA SNOW PRINCESS Miniature Waterlily Miniature white waterlily with red leaves-each flower 5cm(2") wide. Plant spread 60cm(24") so appropriate for a large container or small pond. Plant with 15cm(6") of water over soil in a still, sunny position. Supplied in 1 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA ALBA (British Native) Large waterlily—spread of approx 120cm(48"). White flower 10cm(4") in size. Plant with up to 90cm (36") of water over soil in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA ATTRACTION Medium/Large waterlily – spread of approx 90cm (36"). Pink/Red flowers 10cm (4") suitable for a medium pond. Plant with up to 75cm (30") of water over soil in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA BLACK PRINCESS Small/Medium waterlily – spread of approx 90cm (36"). Maroon flowers 10cm (4") suitable for a medium pond. Plant with 23-44cm (10 - 17") of water over soil in a still, sunny position. Supplied in a 2 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA BURGUNDY PRINCESS Medium waterlily – spread of approx 60cm (23"). Red flowers 5cm (2") suitable for a medium pond. Plant with 22-44cm (10-17") of water over soil in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA DARWIN Medium waterlily – spread of approx 75cm (30"). Pink rounded flowers petals 8cm (3") suitable for a small/medium pond. Plant with up to 75cm (30") of water over soil in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA FLORIDA SUNSET Large waterlily-spread of approx 90cm(36") Double flowers of yellow to peach blushed with pink flowers. 10cm(4") suitable for a medium pond. Plant with 30-60cm(12"-24") of water over the top of the basket in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA GLADSTONIANA Large waterlily – spread of approx 90cm(36"). White rounded flowers 10cm(4") Plant with up to 90cm(36") of water over the top of the basket in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA GONNERE Small/Medium waterlily – spread of approx 75cm (30"). White double flowers 8cm (3") suitable for a small/medium pond. Plant with 30-60cm (12"-24") of water over the top of the basket in a still, sunny position. Supplied in 3 litre basket Price: £25.00

Pond waterlily - NYMPHAEA MADAME WILFRON GONNERE Small/Medium waterlily – spread of approx 60cm (24"). Pink flowers 8cm (3") suitable for a medium pond. Plant with 30-60cm (12"-24") of water over the top of the basket in a still, sunny position. Supplied in 3litre basket. Price: £25.00

Pond waterlily - NYMPHAEA MARLIACEA ALBIDA Medium waterlily – spread of 90cm(36"). White flower 8cm(3") Plant with 40-60cm (16"-24") of water over the top of the basket in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA MARLIACEA CARNEA Medium/large waterlily – spread of approx 90cm (36"). Cream tinged pale pink flower 7cm (3") Plant with up to 75cm (30") of water over soil in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

Pond waterlily - NYMPHAEA MRS RICHMOND Medium/large waterlily – spread of approx 90cm (36"). Pink/Red semi-double flower . 8cm (3") in size. Plant with up to 75cm (30") of water over soil in a still, sunny position. Supplied in a 3 litre basket. Price: £25.00

HYDROCHARIS MORSUS-RANAE (Frogbit) (British Native) British Native floating plant with leaves 2cm (1") across. White flowers in summer. Frogbit floats on pond surface in Summer in a sunny or partially shaded pond and overwinters on pond floor as dormant buds. Supplied bareroot (each portion is 3 plants) Available in Summer only Price: £7.00

STRATIOTES ALOIDES (Water Soldier) (British Native) British Native floating pond plant with spiked foliage. Height 10cm(4"). Flowers white in June/July. Water Soldiers float at pond surface in Summer in a sunny or partially shaded pond and overwinter on pond floor as dormant buds. Supplied bareroot to drop into the deep area of the pond. Price: £7.00

OXYGENATING PLANTS

In a new pond, the stocking rate for oxygenating plants should be two bunches/9 cm pots per surface m²

CERATOPHYLLUM DEMERSUM (Hornwort) (British Native) Dark green feathery foliage grows loose in the pond. British Native submerged oxygenator grows in a depth of 30–90cm(12"-36") of water. Grows well in a sunny or partially shaded pond. Supplied loose bareroot to be dropped into deep water area. Price: £5.00

MYRIOPHYLLUM SPICATUM (British Native) Submerged oxygenator(Spiked Milfoil) with olive green feathery foliage that has small yellow/red flowers above the water surface. Grows in a depth of 30-90cm(12"-36") of water. Supplied bareroot in weighted bunches to drop into deep area of pond. Price: £4.00

POTAMOGETON CRISPUS (Curly pondweed) (British Native) Submerged oxygenator with olive green seaweed shaped foliage that grows equally well in partially shaded ponds. Submerge in 30-60cm(12"-24") of water. Potamogeton Crispus is supplied bareroot in weighted bunches to drop into deep area of pond. Price: £4.00

RANUNCULUS AQUATILIS (Water Crowfoot) (British Native) Submerged oxygenator plant with some surface leaf cover and white flowers but most of its foliage is submerged underwater. Flowers in May. Grows in a depth of 30-90cm(12"-36") of water over soil. Supplied bareroot in weighted bunches to drop into deep area of pond. Price: £5.00

RORIPPA NASTURTIUM-AQUATICUM (British Native – Water Cress) Horizontally rafting stems with underwater leaf that oxygenates the water and surface growing round, with green leaf and small white flowers. Height 10cm(4"). Flowers May – August. Plant with up to 5cm(2") of water over soil. Supplied in 9cm basket. Price: £7.00

MOIST PLANTS AND BOG GARDEN PLANTS

ARUNCUS DIOICUS Upright white flowering plumes (Goats Beard). Height 120cm (4'). Flowers June. Likes moist to wet soil in a sunny or partially shaded bog garden. Supplied in a 2 litre pot. Price: £11.00

DARMERA PELTATA Rounded heads of pink flowers on tall stems before the round leaves 30cm across (12"). Height 90cm (36" - 3'). Flowers April - May. Likes moist to wet soil in a sunny or partially shaded bog garden. Supplied in a 2 litre pot. Price: £11.00

EUPATORIUM CANNABINUM (Hemp Agrimony) British Native Clusters of pink flower heads loved by bees and butterflies. Height 120cm (48"). Flowers August - October. Plant in moist conditions in a sunny or partially shaded garden. Supplied in a 1 litre pot. Price: £9.00

EUPATORIUM FORTUNEI PINK FROST pink flower heads loved by bees and butterflies with striking white variegated foliage. Height 90-120cm (3'-4'). Flowers July - September. Plant in moist conditions in a sunny or partially shaded garden. Supplied in a 1.5 litre pot. Price: £9.00

FILIPENDULA ULMARIA Clusters of white flowers on this Native Meadowsweet. Height 60 – 90cm (24"- 36"). Flowers June – August. Plant in wet to moist soil in sun or partial shade. Supplied in a 1.5 litre pot. Price: £9.00

GEUM RIVALE (Water Avens) British Native Nodding flower heads of brown/peach. Height 30cm (12"). Plant in wet mud or moist soil in a sunny or partially shaded moist or bog garden. Supplied in a 1 litre pot. Price: £9.00

HESPERANTHA (Schizostylis) COCCINEA 'PINK' Pink flowers open along a 30cm (12") stem with spiky foliage (Kaffir Lily). Height 15cm (18"). Flowers September – October. Plant in rich moist soil in sun. Supplied in a 1 litre pot. Price: £9.00

IRIS ROBUSTA DARK AURA Peach flowers on purple stems on a broad green leaf. Height 60 – 75cm (24" - 30"). Flowers May – June. Plant in wet mud in a sunny stream edge or bog garden. Supplied in a 1.5 litre pot. Price: £9.00

IRIS SIBIRICA RIGAMAROLE Double lilac flowers. Height 75cm (30"). Flowers June-July. Plant in rich moist soil in a sunny site. Supplied in a 1.5 litre pot. Price: £9.00

LIGULARIA DENTATA DESDEMONA Large leaves tinted maroon and orange daisy flowers. Height 90cm (36"). Flowers July – August. Likes moist soil in a partially sunny or shaded bog garden. Supplied in a 2 litre pot. Price: £11.00

LYCHNIS FLO-CUCULI (Mixed Colours) Masses of star shaped pink and white flowers on branching stems. Height 60cm (24"). Flowers Late Spring. Plant in moist soil in a sunny or partially shaded bog garden. Supplied in a 9cm pot. Price: £6.00

LYCHNIS FLO-CUCULI (Ragged Robin) British Native Masses of star shaped pink flowers on branching stems. Height 60cm (24"). Flowers Late Spring. Plant in moist soil in a sunny or partially shaded bog garden. Supplied in a 9cm pot. Price: £6.00

LYCHNIS FLO-CUCULI WHITE ROBIN Masses of star shaped white flowers on branching stems. Height 60cm (24"). Flowers May - July. Plant in moist soil in a sunny or partially shaded bog garden. Supplied in a 9cm pot. Price: £6.00

PRIMULA BEESIANA (Candelabra Primula) Purple flowers in 4 -6 tiered whorls. Height 60cm (24"). Flowers June-July. Plant in moist soil in a sunny or partially shaded bog garden. Supplied in a 9cm pot. Price: £7.00

PRIMULA BULLEYANA (Candelabra Primula) Orange flowers in 4 -6 tiered whorls. Height 24". Flowers June-July. Plant in moist soil in a sunny or partially shaded bog garden. Supplied in a 9cm pot. Price: £7.00

PRIMULA JAPONICA (Candelabra Primula) Flowers in 4-6 tiered whorls in a range of colours white to red Height 60cm (24"). Flowers June – July. Plant in moist soil in a sunny or partially shaded bog garden. Supplied in a 9cm pot Price: £7.00

PRIMULA VERIS (British Native Cowslip) Umbels of yellow bell shaped fragrant flowers British Native. Height 20cm (8"). Flowers March - April. Plant in moist soil in a sunny, partially shaded bog garden or stream edge. Supplied in a 1ltr pot. Price: £9.00

SUCCISA PRATENSIS British Native Slow growing with violet pincushion type flowers. Height 60cm (24"). Flowers in Ju - October. Plant in moist soil in a sunny or partially shaded bog garden. Supplied in a 1 litre pot. Price: £9.00

PLANTING SCHEMES

CONTAINER PLANTING SCHEME A For a small container pond in a sunny spot. size 2ft x 2ft. Nymphaea pygmaea Alba, Hesperantha coccinea, Isolepis cernua(9cm), Veronica beccabunga(9cm), Myriophyllum spicatum Price: £56.00

CONTAINER PLANTING SCHEME B For a small container pond in a sunny spot. size 2ft x 2ft. Nymphaea pygmaea Rubra, Equisetum scirpoides, Iris versicolor Mysterious Monique, Houttuynia cordata Chameleon(9cm), Myriophyllum spicatum (bareroot) Price: £60.00

CONTAINER PLANTING SCHEME C For a small container pond in a sunny spot. size 2ft x 2ft. Nymphaea pygmaea Helvola, Iris versicolor, Mentha cervina, Myosotis scorpioides(9cm), Ceratophyllum demersum (bareroot) Price: £60.00

CONTAINER PLANTING SCHEME D For a small container pond in a shaded spot. size 2ft x2ft, Anemopsis californica, Eriophorum angustifolium, Myosotis scorpioides(9cm), Isolepis cernua(9cm), Myriophyllum spicatum. Price £43.00

CONTAINER PLANTING SCHEME E For a small container pond in a shaded spot. size 3ft x 3ft. Juncus ensifolius, Anemopsis californica, Equisetum scirpoides, Houttuynia cordata(9cm), Myriophyllum spicatum(bareroot). Price: £45.00

CONTAINER PLANTING SCHEME F For a large container pond in a sunny spot. size 3ft x 3ft. Nymphaea Perrys Baby Red, Oenanthe javanica Flamingo(9cm), Iris Louisiana Black Gamecock, Caltha palustris, Potentilla palustris(9cm), Equisetum scirpoides, Myriophyllum spicatum(bareroot) Price: £79.00

CONTAINER PLANTING SCHEME G For a larger container pond in a sunny spot. size 4ft x 4ft. Nymphaea Aurora, Anemopsis californica Caltha palustris, Cyperus eragrostis, Mentha cervina Alba, Houttuynia cordata Chameleon(9cm), Myriophyllum spicatum (bareroot) Price: £82.00

CONTAINER PLANTING SCHEME H For a larger container pond in a sunny spot. size 3ft x3ft. Nymphaea Laydekeri Fulgens, Typha minima, Oenanthe javanica Flamingo(9cm), Iris Versicolor Kermesina, Mentha cervina, Cyperus involucratus, Myriophyllum spicatum. Price £81.00

CONTAINER PLANTING SCHEME J For a large container pond in a shaded spot. size 3ft x 3ft. Cyperus involucratus, Equisetum scorpioides, Eriophorum angustifolium, Juncus ensifolius, Typha minima, Houttuynia cordata Chameleon(9 cm), Isolepis cernua(9cm), Myriophyllum spicatum. Price: £67.00

CONTAINER PLANTING SCHEME K For a large container pond in a shaded spot. size 3ft x 3ft. Anemopsis californica, Cyperus involucratus, Myosotis scorpioides or Alba(9cm), Oenanthe javanica Flamingo(9cm), Isolepis cernua(9cm), Veronica beccabunga(9cm), Myriophyllum spicatum. Price: £59.00

MOIST SCHEME Plants selected to suit your requirements.

Price £73.00

MUDDY BOG SCHEME Plants selected to suit your

requirements. Price £93.00
